## William Scott M.P. Speaks Out On Taxation

There's not much doubt what everyone is talking about this week on Parliament Hill — taxes!

For the past 2 years, Finance Minister Edgar Benson and his department officials have been studying the celebrated Carter Report on Taxation. On November 7th, Mr. Benson came out with his suggested blueprint for taxation in Canada — "Proposals For Tax Reform."

The Benson proposals do not follow all the Carter proposals but they follow some and go beyond others. The main contention of the Carter Report was that 'a buck' was 'a buck' however it came into a taxpayer's possession and therefore taxable as income. Mr. Benson's proposals are not so simple or straightforward but, if adopted, they will mean that many of the 'bucks' that people acquire one way or another, that are exempt from taxation today, will be fair game for the Department of National Revenue henceforth.

The Finance Minister's taxation ideas were presented in the form of a White Paper, a device for placing a complex and controversial matter before Parliament for study and discussion before any legislation is prepared. As of now, Mr. Benson's taxation ideas are just proposals. They are unlikely to become law in the same form as that in which he presented them in the White Paper and certainly not before the taxation year 1971.

It must be said, in fairness, that tax reform is something that is urgently needed in Canada. We need to arrive at a fairer, more equitable and less burdensome system of federal taxation particularly in the personal income tax field. But I doubt, and many others doubt too, that Mr. Benson has the complete answer or even a small part of it — to necessary taxation reform.

He claims, under his proposals, some 750,000 lower income Canadians would be exempt from income tax; the very rich would have their tax burden eased; and the middle income Canadians (those who, if single, earn \$4,000 or more and, if married, earn between \$10,000 and \$20,000) would pay an increased share of running the country.

This all sounds great on paper. It sounds even better when Mr.

Benson proposes to levy a capital gains tax that will catch all those speculators, profiteers and gamblers. But a closer examination of the proposals shows that a lot of other people will get caught too.

This document will require long and detailed study before we can get a full idea of its ramifications. But, offhand, there is one aspect of it that disturbs me very much indeed.

This is the effect that adoption of the tax reform proposals, as they now stand, would have on small businesses and family enterprises. I believe they could well wipe out this whole area of our economy. One proposal is that small businesses now be treated for taxation purposes in the same manner as larger corporations. Under present conditions, a small business is required to pay only 21% on the first \$35,000 of earnings. Mr. Benson proposes to abolish this fixed rate and require all businesses

to pay on a rate up to 50% on all income. The reason, he said, was to plug up a tax loophole that existed in regard to personal incorporation. This was a method of obtaining a better tax break by self-employed individuals, incorporating themselves as a small business.

It becomes clear that the capital gains tax and many of the other proposals, intended to 'get' tax dodgers and sharpies, could at the same time hit the innocent and inoffensive just as hard.

My advice to all Canadians in a position to pay taxes is to get a copy of the Benson proposals — free, incidentally, at all federal tax offices — read it, and then consult a legal or tax adviser.

All is not gold that glitters and a great deal of the optimistic sales pitch that has surrounded these tax reform proposals will evaporate when the tax collector starts putting them to work on your income and assets, and mine.

### MR. CLAYTON HODGSON GIVES PROPERTY TO SCHOOL BOARD

At the September meeting of the Haliburton County Board of Education, a desire was expressed to obtain Lots 6, 7, 8, 9 and 10 of Block "V" in Haliburton Village in order to extend the playing field at the Victoria Street Public School. Mr. and Mrs. Clayton W. Hodgson replied to this request by giving the lots to the School Board for the sum of one dollar. It is stated in the deed that the property be used for school purposes only, and should an attempt be made in the future to sell the property, the Hodgson section would revert to the original owners or their heirs.

Since the Board intends to continue using the Victoria Street School with a full attendance, and there is a need for parking lot on the grounds, it is essential that some filling be done on the Hodgson property to provide more playing field.

The members of the School Board are grateful for this gift of land.

## HERE AND THERE

with Fenwick Finch

Every once in awhile you run across someone in the community who does a great deal to help others and says little or nothing about it.

Such a man is Dave Stamp —

I'm not going to embarrass Dave by saying too much because every organization knows about Dave's beneficence.

In the past year Dave has donated his busses and drives to a great many causes — so, a tip of the hat to Dave for his public spiritedness.

\* \* \* \*

Sitting down in the Ross Memorial Hospital waiting room last week I was reading a book on bridge instruction. One of the nurses going by stopped, and looked over my shoulder.

"That must be a fascinating love story you are reading." That remark made me take a long, second, look at the chapter heading, it said — "Free Responses After an Original Pass."

\* \* \* \*

One of the things younger people have to put up with when they associate with older people is their habit of reminiscing. So, please bear with me while I wax a little nostalgic — back in the "hungry thirties" there was a couple of characters on the radio that were clever in music and patter. They were highly rated and deserved every bit of it. Minard's Liniment sponsored them, Al. and Bob Harvey. Amongst his other jobs "Bob" was a song plugger for Leo Feist and plugged a great many songs for Al. Jolson and others. Bob still plays a mean piano and has lots of rhymes to go with it.

In years past there wasn't better entertainment than "Zanoni" alias George Laidlaw. At his peak it took three railroad cars to transport his show. Up until recently George used to display his skills for the youngsters and even at his 70's George is still handy.

Al. Perring of Haliburton is about the last one of the famous "Arlie Marks" show. Every year, about Fair time in Lindsay the "Marks Bros." made their appearance. Even today I still remember them and the splash they made.

All of these memories have been a part of my life — The Mae Edwards Stock Company used to visit Lindsay every year, and why not? that is where the show originated. I have some great memories of my two summers with them.

In the past I have played the same stages as Jolson, Durante and many other top vaudeville stars. Those days are gone forever — but memories stay with you and, when you get older, that's about all you have left.

So, to you younger people, hang onto any experiences you may have now — there'll come a day they'll be worth their weight in gold to you.

Oh, I almost forgot, when I referred to Bob Harvey as being a "Song Plugger," that's old-fashioned for a DJ or "Disc Jockey" today — there is a little difference in pay between now and then. Right? Robert?

Well, strange as it seems, that's it for another week. In the view of events in the last couple of weeks I cannot help but think of the following quotation — it might pay you to think on it. "Boast not myself of tomorrow; for thou knowest not what a day may bring forth."

Drive carefully — see you next week.

Fenwick.

### THE HOCKEY FRONT

Although I have been involved in Minor Hockey over the last few years, as President this year, I find a few problems the executive and myself have to cope with. We have registered this year in

Minden close to one hundred boys from the age of five to sixteen. These boys represent nine hockey teams.

In years past we have only had five teams to organize and supply ice time for — with the added number this year, it has created a problem, finding suitable ice time in Haliburton for this heavy schedule. With more teams in Haliburton this year, and a larger skating club both here and in Haliburton, ice time is scarce. It is unfortunate that we now have three teams playing hockey on Sunday, but this is unavoidable.

Parents have been extremely cooperative, making time in their schedule in order to get their boys to the rink at various times to participate with their team. It must be kept in mind that we have many parents with two, three and four boys playing hockey, all on various days and at various times. This situation makes it almost impossible for parents to have their boys get to Haliburton at his specified time. I must mention however, that so far every parent in this situation has done their part to meet the schedule. This helps the Association a great deal.

A greater problem this year has been the organizing of the many schedules for the many teams this winter. With teams participating in the Ontario Minor Hockey Association schedule and teams entered in a new organization for "B" teams called the Kawartha League, it represents 92 hockey games plus the play offs. Can you imagine coaches having to schedule that many games, when we don't have ice facilities?

Four coaches from here travelled to Fenelon Falls two weeks ago to organize the teams for OMHA play — they had their problems to say the least. It was hoped that we might print the schedules in the paper this week, but unfortunately there are still dates in Haliburton which still have to be confirmed.

Now we face the same task again — tonight we travel to Fenelon Falls where we will meet with representatives from Bobcaygeon, Haliburton, Fenelon Falls, Kinmount to organize the "B" schedule in the Kawartha League. It is somewhat embarrassing for one to attend these meetings, not knowing exactly what nights we can arrange games for in Haliburton, and having no ice of our own, for games here. It is like trying to plan 92 bonspiels, without ice.

At \$8.00 an hour for ice time in Haliburton, our expenses this year stand to be double that of last year.

For those of you who felt we couldn't afford an arena. I am wondering if you can afford some time to help organize our leagues. In case you are interested we still need two coaches and several managers to complete our teams for this winters play. For others who would like to donate, \$5.00 booster tickets can be obtained from anyone on the executive. Your contributions or your help would be greatly appreciated.

## LETTER TO THE EDITOR

November 12, 1969

Dear Sir:

We were up to Gull Lake a week or so ago to close the cottage and put away boats etc. My husband had had our old cruiser out for a warm-up so he could drain the oil. While he was busy doing so he looked up to see a nice young policeman standing in the boat house watching him. He explained that, he had seen the boat out on the lake and had come to investigate.

My husband was surprised but pleased indeed to know that the law was going to be keeping a look out on vacant cottages in the area from now on.

This gives us a feeling of security we have never had before. We are grateful and would like to say Thank you, to the Minden Police.

Sincerely,

Ruth I. McGill

## EDUCATION IS INSURANCE AGAINST UNCERTAINTIES COLLEGE PRESIDENT SAYS

One in every 20 Canadians will be taking some form of post-secondary education within 10 years, Sir Sandford Fleming College President David B. Sutherland told graduates at Norwood District High School Friday night.

Basing his statement on current Economic Council of Canada estimates, Mr. Sutherland suggested the "learning society" was not something in the distant future, but was already upon us.

Noting the educational system is far from perfect, he said it probably still represents "the best insurance available against the social, political and economic uncertainty that technological change is bringing to the world in which we live".

"Even with the best preparation society can provide for you right now," he told the graduates, "it is entirely possible that you will have to be re-educated for a second career some time later in your lives."

## LETTERS TO THE EDITOR

November 17, 1969

Dear Sir:

The following letter was sent to Mr. J. Allan Sisson, and we would appreciate you printing it in your paper.

In your public letter of November 11, 1969 you made some very large statements concerning the assessments of this Township, of which I demand for you to prove, or to retract. I do not intend to take a back seat when it concerns my assessments.

May I ask you from where you received your information. You made no attempts to review the assessments mentioned when the roll was returned to the clerk, nor have you ever questioned me concerning them. Further you must have been in agreeance with them this fall as you made no attempt to appeal same.

I now then demand that you meet with me on Friday, the 28th of November 1969 at 10:00 in the morning at this Township Office, and prove to me that the properties of Brown Camps are under-assessed in comparison to similar properties.

I will not meet with you sooner, and if the above is not complied with, it will be sufficient proof that you are indeed quite false.

Respectfully requested,  
David W. Johnson,  
Assessor of the  
Township of Stanhope

The planting of 170,000 trees is now completed in the Lindsay District. The fall rains will help to establish these trees. While our major planting effort is in the Spring (1,500,000 are scheduled for Spring 1970), is usually necessary due to site or convenience to plant a few in the fall.

### QUEEN'S GRADUATES WED IN KINGSTON

The wedding of Margaret Elizabeth McKay and Joseph Brian Henry took place at Queen's University Chapel on September 19th, 1969.

The bride is the daughter of Mrs. McKay and the late Gordon Syer McKay. The groom is the son of Mr. and Mrs. Ambrose Henry, Barrie. Officiating at the ceremony was the Rev. A. M. Lavery.

Given in marriage by her brother Robert Gordon (flock) McKay of Oshawa the bride wore a simple long sleeve gown of white peau de soie with a deep front pleat falling from a self bow. Her shoulder veil was held in place by pearl trimmed organza petals. She carried a crescent of yellow roses and ivy. Mrs. Alan Coneybeare was her sister's matron of honour wearing an identical gown of moss green and carried a similar bouquet of yellow roses and white mums.

Dear Sir:

Your story under "Editorially" about Fred Griffiths is amusing, but hardly accurate.

Since you are involved in the story it would seem to me that the least you could do is check your facts. Perhaps it is easier to continue to write right off the top of your head, slicing it thinner and thinner.

You are writing about an event which happened in September 1965. You write ".....Dr. Fred Griffiths, who had been practising medicine in this village for some 15 years, purchased the Ken Currie 5c to \$1.00 store".

It just so happens that as late as 1955 Minden had a female physician by the name of Doctor Jamison. She sold the practice to Fred Griffiths. Obviously he had not been practicing more than nine years in Minden.

Since I am not in Minden I cannot vouch for the spelling of Jamison, nor can I give you the exact date of the sale of her practice. But if I were there I would obtain the exact facts before writing off the top of my head and making a fool of myself with inaccurate reporting. There is so little news in the paper that it would seem to me it would be fairly easy to make that little bit correct.

Sincerely,

Phil Sturge

Rush hour. Every family has one. When there are dishes to be washed, kids to be tubbed, Dad scrubbing up. Then Sis decides she *has* to have a shower. It takes a lot of hot water to keep the traffic moving.

Anyone over 30 will recall with affection the radio series from the early '50s, Jake and The Kid. Good news for them — and anyone else wanting to acquaint themselves with W. O. Mitchell's delightful chronicles of Crocus, Sask. Theatre 10:30 will present (five episodes) of this classic the week of November 24. Starring as Jake Trumper, the hired man (in the role created by the late John Drainie) will be Calgary actor-producer Fred Diehl. Returning as the 12 year old Kid will be Billie Mae Richards. Some 160 candidates for the major parts were auditioned in Alberta. The series will be directed by Esse W. Ljungh who recently retired as supervisor of radio drama.

Well-known star of stage, TV screen and radio, Bruno Gerussi, will guest on the November 23rd edition of Funny You Should Say That, Canada's wackiest radio show.

Grey Cup fever is mounting across the country as the winning teams in the eastern and western CFL conferences prepare to do battle in Montreal, Nov. 30. Experienced commentators Fred Sgambati, Bill Stephenson and Zeke O'Connor will be alongside the field to bring listeners the color and excitement, starting at 12:30 p.m. Est. The preceding Friday, November 28, the Miss Grey Cup Gala will be broadcast live from Montreal's Queen Elizabeth Hotel Ballroom, when Miss Grey Cup 1969 will be chosen from the nine lovelies representing the CFL teams. Quebec pop singer France Castel and folk singer Gordon Lightfoot will entertain.

November 26 is the 80th birthday of Canadian historian Frank H. Underhill. As a tribute to the co-founder of the CCF (now NDP) CBC Tuesday Night (Nov 25) presents a program tracing the career of Underhill, featuring interviews with some of his friends and associates. Part II will feature the talented Glenn Gould in recital, playing works by Mozart and Scriabin.

The story of James Earl Ray, accused killer of Dr. Martin Luther King, who fled from the U.S. to Canada, obtaining a passport and flew to England, reads more like fiction than fact on November 26 Soundings reconstructs Ray's activities from the time he entered Canada, four days after the assassination, April 8, 1968, until his apprehension in England, two months later.

## ABOUT THE TOWN

With Jeanne Sears

Mrs. J. Fairfield had a birthday last Friday and we hear that she has moved into one of the Cosy Cabins for the winter. Drop in and visit her she has a lively memory and likes to have company.

Now that Eatons Santa Clause Parade has been televised the accent is on Christmas shopping. As elsewhere the stores in our village now have that festive look. Also may I mention their goods equal any I saw while in Toronto last week.

Another lucky person came to town, Orville Hill won the Snowball at Rotary Bingo last Thursday, the amount being \$150. Congratulations!

The Minden Hospital was busy early this week with patients being Mrs. Lila Rogers, Mrs. Violet Henderson, Mrs. Florence Sawyer, Mrs. Catherine Burr, Mrs. Etta Thomas, Mrs. Amy Easton, Earl Thurston, John Cox and Tammy House.

The A.C.W. had a large crowd out to enjoy their Annual Dinner and a good many hunters also came to town especially for this.

Everything seemed to go well with the Moon Mission with the "Walk on the Moon" scheduled for Wednesday, November 19. We all hope this mission warrants the expense and danger it involves.

Fashion note — The tam you decided to store, or that hand-knit suit, too good to throw away are now back in style. It seems if you keep a good item of clothing for seven years, it is sure to come back in fashion.

Sympathy of the village to the families and friends of the late W. R. Curry and James Packard who passed away last weekend.

We have a chatter-box visiting us in the person of our grandson Chris Ewing; he is here while his mother is in Toronto General with her new baby boy.

Hint of the week — When you have finished peeling onions, garlic etc, rub hands with dry mustard, then wash off. The odor is all gone.

Patients at Haliburton Hospital early this week were, Mrs. Lena Tamblyn, Mrs. Mary Jane Bannon and Mrs. Lois Whittaker and new baby boy.

LSCK Dennis Moore of Shelbourne N.S. is enjoying a holiday with his parents Mr. and Mrs. Bill Moore and his sister Muriel Clark, Laura and Michael.

The Boys Scout Troop of Minden have found a new leader in the person of Alex Millar of Lands and Forests. We hope that they and their new leader have success in their ventures.

Winter arrived over the weekend and the snow stayed till Monday but wouldn't you know it rained again. I, for one, am getting tired of the muss.

Cheerio until next week.

### RECORD HUNTING FOR DUCKS SAYS BIOLOGIST

The best duck hunting on record was reported this season at Presqu'ile Park, reports E. T. Cox, district biologist.

On October 25, 64 duck hunters checked at this provincial park had bagged 323 ducks. This is better than five ducks per hunter. Regulations permit the taking of two additional scaup (bluebills) or golden eye after October 11; this accounts for hunters having more than five ducks.

The ducks were mostly lesser scaup (95), green wing teal (71) and mallards (28), black ducks (25). At least 25 hunters were able to bag a full count (usually seven ducks). Only five hunters were completely unsuccessful.
